How it works

It's really simple. You apply for a merchant account with us. Once approved we send you our clever pocket-size Swipe Reader K1 with which you can accept credit cards, Eftpos and debit payments on smartphones & tablets.

With *Swipe* you can also accept payments online, over the phone, on your mobile and probably any other way you can think of.

Special Offer For NZPM Shareholders

Under the *NZPM* deal, shareholders can get access to the *Swipe* contactless, chip & pin and mag strip Reader K1 for Smartphones and Tablets at a discounted rate.
